## ❖ Work Permit

- a. The grant of the work permit is governed by the **Non-citizens (Employment Restriction) Act 1973** stipulates that a ***“non-citizen shall not engage in any occupation in Mauritius for reward or profit or be employed in Mauritius unless there is in force in relation to him a valid permit and he engages in the occupation”***, or is employed in accordance with any condition which may be specified in the permit.
- b. The Act also stipulates that ***“no person shall have a non-citizen in his employment in Mauritius without there being in force a valid permit in relation to that employment.”*** For this purpose, Work Permits for non-citizens are issued by the Employment Division of the Ministry of Labour, Industrial Relations, Employment and Training (MLIRET) under the Non-Citizens (Employment Restriction) Act 1973.
- c. **Eligibility criteria for work permit :**
  - i. Foreign workers should possess the skills, qualifications and experience required for the job applied for;
  - ii. Foreign workers should normally be aged between 20 and 60 years. Departure from this policy is exceptionally made for investors and expatriates who possess specific expertise;
  - iii. **Visitors on tourist visa are not allowed to take up employment and applications for work permit on their behalf are not entertained;**
  - iv. For all new application, expatriates have to produce a provisional health clearance. With regard to spouse of expatriate already in possession of a work/occupation permit and Divorcee of a Mauritian National who want to apply for a work permit they also have to submit a provisional health clearance.
  - v. In case of application for groups of workers and / or skilled workers, a request for Permission in Principle has to made to the MLIRET
  - vi. For recruitment of foreign skilled workers, the employer should obtain a Lodging Accommodation Permit in respect of the dormitory
  - vii. Companies should submit Lodging Accommodation Permit in respect of their workers at least **3 months prior to the expiry of their current Lodging Accommodation Permit**

- viii. Companies should submit a copy of Contract of Employment duly vetted by the Labour Division of the MLIRET if salary of expatriates is MUR 30,000 or less. If salary is more, documentary evidence from the employer certifying that the expatriate will earn a monthly salary of more than MUR 30,000.
- ix. Where the expatriate is being deputed and remunerated by a foreign company, a deputation letter has to be produced.
- x. For new cases, expatriates are granted 6 months from the date of issue of the work permit to travel to Mauritius. Beyond that date, work permits will be cancelled and companies will be required to submit fresh application.
- xi. Companies should ensure that at the time of submission for applications for work permit, the passport copies of expatriates should have at least **six months of validity.**
- xii. Expatriates married to Mauritians do not require a work permit

#### ❖ **ADDITIONAL INFORMATION**

- Applications for work permit from overseas companies will only be accepted if the companies are incorporated in Mauritius as a foreign company, under the Company Laws of Mauritius.
- Foreign workers should have obtained both a work permit and a residence permit before travelling to Mauritius. Employers should, therefore, ensure that applications for Work Permit and Residence Permit are made simultaneously.
- Expatriates employed at managerial/supervisory/technical levels may be allowed to work for a period of five years or more subject to full justifications being provided and upon their swearing an affidavit to the effect that they will not apply for Mauritian citizenship.

- Foreign skilled workers are normally granted work permits for a maximum period of **four years**. In the Textile Manufacturing Sector, skilled workers are allowed to work for a period of 8 years, leave the country on expiry, stay abroad for 1 year and may come back to work for another 8 years.
- For renewal of work permits, the employer should indicate any amendment in the terms of the contract of employment. If any, the employer should have the amendments vetted by the Labour Division of the Ministry of Labour, Industrial Relations, Employment and Training prior to submission of the application.
- For certain grades, employers may be required, within 3 months from the date of issue of work permit, to appoint a suitable local counterpart to be trained by the expatriate during his/her posting in Mauritius. Employers to submit the name, address and qualifications of the local counterpart being trained.
- The work permit specifies the period for which the expatriate is allowed in to work in the country and is non-transferable.
- Work permits are normally granted where a ratio of three local to one expatriate worker is satisfied. **In the Textile Manufacturing Sector and as well as for Bakery Operators, the ratio is 1:1 that is one local worker to one expatriate.**
- The onus for the travel of foreign workers from their country of origin and back rests on employers. Employers are, therefore, requested to bear cost of the air ticket of their foreign workers from their country of origin to Mauritius and back after the expiry of their Work Permit, or for any cause whatsoever.
- Companies should submit applications for renewal of work permits in respect of their workers **3 months prior to the expiry of their current work permits**. In case the company will no longer employ the workers after expiry of their work permits, arrangements should be made within the shortest delay for them to be sent back to their country of origin;
- In case no application for renewal is received prior to the expiry of the valid work permit, the Passport and Immigration Office will be duly notified and requested to take action as appropriate at its end; and
- Applications for renewal of work permits received after expiry of current work permits will **not** be considered.
- ***Models and professional entertainers including theatre, motion, picture, radio or television artistes, and musicians are no longer required to apply for a work permit for the purpose of performing public shows, or public broadcast for an aggregate maximum of 90 days ( continuously or not) in any one calendar year.***
