EMPLOYING FOREIGN LABOUR

1. Purpose

1.1 The purpose of this guideline is to clarify the requirements when applying for Permission in Principle for bulk recruitment of foreign labour and for application for work permit / certificate of exemption.

2. Scenarios

2.1 Employers willing to avail themselves of the services of expatriates can opt for one of the following categories of permits

Chart 1: Categories of permits for employing expatriates

2.1.1 Occupation Permit

a. Under the Investment Promotion Act 2006 and Immigration Act, the **Occupation Permit** is a combined work and residence permit that allows foreign nationals to work and reside in Mauritius. An Occupation Permit (OP) may be granted to foreign nationals under the 3 categories: **Investor, Self-employed and Professional**.

b. Application for an Occupation Permit (OP) is made through the Board of Investment (BOI) to the Passport and Immigration Office of Mauritius. Guidelines to apply for an OP may be downloaded from the link [https://op.investmauritius.com](https://op.investmauritius.com).
2.1.2 Work Permit

A. Legislation

a. The grant of the work permit is governed by the **Non-citizens (Employment Restriction) Act 1973** stipulates that a “**non-citizen shall not engage in any occupation in Mauritius for reward or profit or be employed in Mauritius unless there is in force in relation to him a valid permit and he engages in the occupation**, or is employed in accordance with any condition which may be specified in the permit.

b. The Act also stipulates that “**no person shall have a non-citizen in his employment in Mauritius without there being in force a valid permit in relation to that employment.**” For this purpose, Work Permits for non-citizens are issued by the Employment Division of the Ministry of Labour, Industrial Relations, Employment and Training (MLIRET) under the Non-Citizens (Employment Restriction) Act 1973.

B. Permission in Principle

a. Companies wishing to recruit foreign labour in bulk have to apply and obtain permission in principle in the first instance and then apply for a work permit.

C. Eligibility criteria for work permit

a. Foreign workers should possess the skills, qualifications and experience required for the job applied for;

b. Foreign workers should normally be aged between 20 and 60 years. Departure from this policy is exceptionally made for investors and expatriates who possess specific expertise;

c. **Visitors on tourist visa are not allowed to take up employment and applications for work permit on their behalf are not entertained;**

d. For all new applications, expatriates have to produce a provisional health clearance. *(see Annex 1)*. With regard to spouse of expatriate already in possession of a work/occupation permit and Divorcee of a Mauritian National who want to apply for a work permit they also have to submit a provisional health clearance.
e. In case of application for groups of workers and/or skilled workers, a request for Permission in Principle has to be made to the MLIRET.

f. For recruitment of foreign skilled workers, the employer should obtain a Lodging Accommodation Permit (see Annex 2) in respect of the dormitory.

g. Companies should submit Lodging Accommodation Permit in respect of their workers at least 3 months prior to the expiry of their current Lodging Accommodation Permit.

h. Companies should submit a copy of Contract of Employment duly vetted by the Labour Division of the MLIRET if salary of expatriates is MUR 30,000 or less. If salary is more, documentary evidence from the employer certifying that the expatriate will earn a monthly salary of more than MUR 30,000. (Annex 3)

i. Where the expatriate is being deputed and remunerated by a foreign company, a deputation letter has to be produced.

j. For new cases, expatriates are granted 6 months from the date of issue of the work permit to travel to Mauritius. Beyond that date, work permits will be cancelled and companies will be required to submit fresh application.

k. Companies should ensure that at the time of submission for applications for work permit, the passport copies of expatriates should have at least six months of validity.

l. Expatriates married to Mauritians do not require a work permit.

m. The Application Form for Work Permit together with all supporting documents as listed have to be submitted to the MLIRET. Incomplete applications, and those not accompanied by the required documents will not be accepted.

n. Applications submitted by recruitment agencies or third parties are not accepted.
o. **Company will be required to submit any additional documents for information as and when requested by this Ministry.**

### D. ADDITIONAL INFORMATION

a. Applications for work permit from overseas companies will only be accepted if the companies are incorporated in Mauritius as a foreign company, under the Company Laws of Mauritius.

b. Foreign workers should have obtained both a work permit and a residence permit before travelling to Mauritius. Employers should, therefore, ensure that applications for Work Permit and Residence Permit are made simultaneously.

c. Expatriates employed at managerial/supervisory/technical levels may be allowed to work for a period of five years or more subject to full justifications being provided and upon their swearing an affidavit to the effect that they will not apply for Mauritian citizenship.

d. Foreign skilled workers are normally granted work permits for a maximum period of **four years**. In the Textile Manufacturing Sector, skilled workers are allowed to work for a period of 8 years, leave the country on expiry, stay abroad for 1 year and may come back to work for another 8 years.

e. For renewal of work permits, the employer should indicate any amendment in the terms of the contract of employment. If any, the employer should have the amendments vetted by the Labour Division of the Ministry of Labour, Industrial Relations, Employment and Training prior to submission of the application.

f. For certain grades, employers may be required, **within 3 months from the date of issue of work permit**, to appoint a suitable local counterpart to be trained by the expatriate during his/her posting in Mauritius. Employers should submit the name, address and qualifications of the local counterpart being trained.

g. The work permit specifies the period for which the expatriate is allowed to work in the country and is non-transferable.
h. Work permits are normally granted where a ratio of three local to one expatriate worker is satisfied. In the Textile Manufacturing Sector and as well as for Bakery Operators, the ratio is 1:1 that is one local worker to one expatriate.

i. The onus for the travel of foreign workers from their country of origin and back rests on employers. Employers are, therefore, requested to bear cost of the air ticket of their foreign workers from their country of origin to Mauritius and back after the expiry of their Work Permit, or for any cause whatsoever.

j. Companies should submit applications for renewal of work permits in respect of their workers 3 months prior to the expiry of their current work permits. In case the company will no longer employ the workers after expiry of their work permits, arrangements should be made within the shortest delay for them to be sent back to their country of origin;

k. In case no application for renewal is received prior to the expiry of the valid work permit, the Passport and Immigration Office will be duly notified and requested to take action as appropriate at its end; and

l. Applications for renewal of work permits received after expiry of current work permits will not be considered.
